

KDP Listing & Promo Copy Prompts

Use after the final interior PDF and cover image or cover prompt are finished.

Key points

- These prompts create marketing and listing copy only.
- They do not edit the PDF, cover image, worksheets, answers, page order, or certificate.
- Use option 9 when you want the full copy pack in one response.

Clean copy. No fake claims. No layout edits.

1. Rules Before Using These Prompts

Use this PDF after the book assets are finished. The final interior PDF should already exist. The final cover image or cover prompt should already be done. These prompts do not change the book files.

Key points

- Allowed: descriptions, hooks, taglines, blurbs, emails, A+ copy, author bio, and platform copy.
- Not allowed here: PDF text edits, worksheet changes, answer key changes, page order changes, or cover image edits.
- If file edits are still needed, return to the PDF edit flow or cover edit flow first.

Do not claim guaranteed KDP approval, rankings, royalties, sales, or official school approval.

2. Post-Cover Copy Menu

This is the menu the GPT can ask after the final cover image or cover prompt is finished.

MENU PROMPT

Do you want me to create KDP listing and promo copy for this book?

1. Book description
2. Promo blurbs
3. Hook lines and taglines
4. Listing copy and back-cover style text
5. A+ Content copy
6. Promo angles and positioning ideas
7. Promo emails and launch copy
8. Author bio and supporting platform copy
9. All of the above
10. No, I am done

Option 9 creates the full copy pack in one response.
