

PLR License

You CAN

- Edit, rewrite, and customize the content.
- Rebrand the kit with your own business name, logo, and style.
- Use the content inside your own paid products, offers, or programs.
- Use parts of the content in your email marketing.
- Use parts of the content in blog posts, captions, or social content.
- Sell the finished version as a digital product to your own customers.
- Bundle it with other paid products.
- Use it as a bonus, upsell, order bump, or funnel offer.
- Change the copy so it better fits your audience or niche.
- Use the graphics in your branded version of this offer.

You CANNOT

- Resell or share this product with **PLR rights**.
- Pass Master Resell Rights or Resell Rights to your buyers.
- Give the kit away for free as-is.
- Sell, share, or upload the original files on free download sites.
- Claim the original, unedited product as exclusively yours.
- Transfer this license to someone else.
- Resell the product in a way that competes directly with the original unedited version.
- Share the files with clients, friends, or team members unless they are working for you on your business.
- Use the product for unlawful, misleading, or abusive marketing.
- Remove this license and replace it with broader rights than this license allows.
