## PLR License

### **[YOU MAY]**

- Use the assets in your own projects and funnels.
- Rebrand the title, icon, and description as your own.
- Edit, rewrite, or translate the Instructions, Knowledge, and other text files.
- Use the content to create squeeze page copy for your offers or client projects.
- Use the graphics to promote your version of the product or related offers.
- Sell access to your own version as a paid product.
- Include access inside paid courses, memberships, or bundles.

### **[YOU MAY NOT]**

- Pass on rights to raw source files unless you also grant RR, MRR, PLR, or Giveaway Rights.
- Sell or share the source ZIP as PLR unless the buyer purchased PLR rights from you.
- Give editing or resale rights unless the buyer purchased PLR rights.
- Claim authorship of any third-party software or platform used with this product.
- Misrepresent this package as an official product of any company.
- Share account logins or credentials as part of the product.
- List this product on WarriorPlus using the original name, branding, or designs.
- To sell on WarriorPlus, you must fully rebrand with a new name and design.

PLR allows customization and commercial use in your business.

It does not grant resale or editing rights to your buyers automatically.
