

PLR LICENSE

Quick Summary

When you buy this PLR package, you are allowed to edit it, brand it as your own, and use it in your business. Standard PLR usually allows editing, rebranding, and use inside paid products, but does not pass PLR rights to your buyers unless that is clearly stated

You MAY

- Edit, rewrite, shorten, expand, and customize the content.
- Add your own name, brand, logo, and business details.
- Turn the content into your own ebook, report, lead magnet, or bonus.
- Use parts of the content in your paid products, courses, or membership content.
- Use parts of the content in blog posts, newsletters, or social content.
- Sell the finished product to your own customers for personal use.
- Bundle the finished product with other paid offers.
- Use the sales copy and email copy in your own promotions.
- Use the included graphics and cover images to promote this product.

You MAY NOT

- Pass PLR rights to your buyers.
- Sell, share, or give away this license as if it grants resale or PLR rights unless you create a separate license that clearly says so.
- Give away the editable source files for free.
- Claim exclusive ownership of the original source material.
- Resell or distribute the package in a way that competes with the original unedited PLR package.
- Upload the files to free download sites, torrent sites, or giveaway hubs.
